THANK YOU

As the school year comes to a close, I'd like to thank you, once again, for helping to make this a great year. As a staff, we'd like to thank you for the privilege of caring for your child for the past ten months. We appreciate the trust you've placed in us, and hope we've met your expectations.

I'd also like to acknowledge our fantastic staff whose level of engagement, integrity, and enthusiasm has known no limits. I particularly have appreciated their consistent willingness to put the needs of the program ahead of their own, time and time again. I know that this is not a one-woman show, and the program I am lucky enough to call a "job" would not be possible without each and every one of them.

CONGRATULATIONS

So long, farewell.... It's been a long time coming (7 years for most of them!), but it's time to say goodbye to our 6th graders. Well, not really goodbye; more like see you later because we hope they'll come back to visit next year and then to volunteer in high school. Best of luck to all of them next year as they spread their wings! Congrats to:

Next I want to thank the parents. Without your partnership in teaching these children we would be no where. We thank you for everything. What an amazing year it has been!
